MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director for Intelligence
Director of Soviet Analysis

FROM: 25X1
Senior Analyst for National Issues
Office of Soviet Analysis

SUBJECT: Your Attendance at the Conference on
Semantics of Disinformation

1. Action and Information Requested: This memo asks for confirmation of your intention to attend the disinformation conference and to introduce the keynote speaker. Also needed are the names of persons you have invited or intend to invite to observe the conference.

2. The keynote address is scheduled after an opening reception and dinner at Airlie House on the evening of 25 June (see attached agenda). It seems appropriate, as was suggested when Jeane Kirkpatrick was under consideration, that you introduce the keynoter. You also may want to attend the final session at 1515 hours on 27 June, which is intended to summarize the main findings of the conference.

3. Your secretary has been apprised of these events and has tentatively reserved the time on your calendar.

4. As Airlie House asks for a list of guests two weeks in advance of a conference, we need to complete such a list as soon as possible. We are allowed a maximum of [redacted] and are close to that limit now (see attached list), with several acceptances still pending -- plus a waiting list. As soon as you let me know whom you would add to it, I will complete the list.
